

APPLICATION *for Admission*

Western Washington University is a dynamic, innovative, public university considered to be among the best in the Pacific Northwest. Western is recognized for excellence in undergraduate education, an increasingly diverse and multicultural learning environment, and a strong sense of community. Academic excellence, size, location, job placement of graduates, and affordable cost are primary reasons that students choose Western. Welcome!

ADMISSIONS CRITERIA

Admission to Western Washington University is selective. Meeting minimum requirements does not guarantee admission, as the number of qualified applicants exceeds the number of available enrollment spaces.

Freshman - All applicants, *including all Running Start students*, must submit an official high school transcript or GED Certificate and SAT or ACT scores.

The minimum required high school course pattern includes:

- **English:** Four units of college prep composition and/or literature.
- **Mathematics:** Three units, including geometry and two years of algebra beyond pre-algebra.
- **Science:** Two units, with one year of algebra-based chemistry, physics, applied physics or principles of technology; one year must include a lab.
- **Social Science:** Three units of history, civics, psychology, economics, etc.
- **World Language:** Two sequential units in a single foreign language, Native American language, or American Sign Language. The requirement may be satisfied for students from non-English speaking countries who entered the U.S. educational system in eighth grade or later.
- **Fine and Performing Arts:** One semester or trimester.
- **Academic Electives:** One additional semester or trimester in any of the above areas.

All students are encouraged to pursue academic course work and advanced study beyond the minimum course requirements listed above.

Cumulative academic achievement—including level and difficulty of courses and grade trends—is the most significant factor in application review. School and community involvement, special talents, multicultural experiences, strength of character, and personal circumstances are also considered.

Transfer - Western welcomes transfer students in all majors and from all types of colleges and universities. A transfer student is someone who has attempted college credit after graduating from high school or earning a GED; transfer students should use the Transfer/Postbaccalaureate application. High school students who have completed college credit, including Running Start students, must use this Freshman application.

Financial Aid (Section 3)

Applying for financial aid does not affect your application for admission. The FAFSA is available at all high schools, colleges, and online. For more information, refer to www.finaid.wvu.edu or contact the Financial Aid Office at (360) 650-3470. Western's Title IV code is 003802.

Who should use this application? (Section 2)

Freshman and Running Start students should use this application. Students who have attempted college courses after receiving your high school diploma or GED or are pursuing another Bachelors degree should use the Transfer/Postbaccalaureate Application. International, Extension Program, Summer-only, and Returning students should use the application specific to them, as found at admissions.wvu.edu/apply.

Residency (Section 3)

To qualify as a Washington State resident, you must be a U.S. citizen or have permanent resident (resident alien) status. You must also be a dependent student whose parent or guardian has been a legal resident for at least 12 months prior to enrollment, or an independent student who has established a permanent home in the state of Washington for at least 12 months prior to enrollment. Verification may be requested. The spouse or dependent of a person who is on active military duty can be allowed to pay resident tuition by providing appropriate documentation to the Registrar's Office.

A student cannot qualify as a Washington resident if s/he (or parent, in case of a dependent) has attended, as a resident, college in another state within a year prior to enrollment; has received financial assistance from another state, including a reciprocity award, within a year prior to enrollment; or possesses a current out-of-state driver's license, vehicle registration, or other document which gives evidence of being domiciled in another state.

If you are not a U.S. citizen and you have continuously resided in Washington State for three (3) years prior to receiving a high school diploma from a Washington high school, you may be eligible to pay resident tuition, in accordance with HB 1079 (see www.wvu.edu/depts/registrar/residency.shtml).

Living on Campus (Section 3)

Detailed housing information is mailed to applicants at the time of admission. Priority for on-campus housing is based on the date the Office of Admissions receives a student's application for admission. While all students who choose to live on campus are able to do so, students who apply early are most likely to secure a room in one of their preferred residential areas.

Official Transcripts (Sections 7 - 9)

To be official, transcripts must be sent directly from your high school or college to Western's Office of Admissions, delivered in an official and sealed envelope, or sent electronically. Applicants must submit transcripts from each high school. To receive transfer credit, applicants must submit official college transcripts, AP score report and/or an IB transcript.

Scholarships (Section 12)

The Office of Admissions awards scholarships to exceptional new students. Scholarship selection is generally determined by the information provided with the application for admission. Freshmen applying for Fall Quarter are encouraged to submit applications by the scholarship priority consideration date of January 31. A list of new student scholarships is available at admissions.wvu.edu/tuition and a complete list of undergraduate student scholarships is at www.finaid.wvu.edu/scholarships.
