4. Demographic Data

In accordance with Washington State law, Western Washington University does not use race, sex, color, ethnicity, or national origin in admission decisions.

Western Washington University is required by law to report aggregate demographic data to the U.S. Department of Education and other federal and state agencies. In addition, this information may assist in the awarding of privately funded scholarships.

Western recognizes that people may identify their gender in non-binary ways. Currently, our student information system only provides two binary gender fields. We are aware of this limitation and are working to expand the possible ways for individuals to identify their gender in Western’s records. Enrolled students have the ability to change their gender marker through the Registrar’s Office. For purposes of housing, please contact University Residences at housing@wwu.edu if you have questions.
