Western Washington University is a dynamic, innovative public university ranked among the best in the Pacific Northwest. Western is recognized for excellence in undergraduate education, an increasingly diverse learning environment and a strong sense of community. Students choose Western for the top-notch academic quality, size, location, success of graduates and affordable cost.

FRESHMAN ADMISSION CRITERIA

Admission to Western Washington University is selective. Meeting minimum requirements does not guarantee admission, as the number of qualified applicants exceeds the number of available enrollment spaces.

The most important criterion in the selection process is demonstrated academic achievement, including grade point average, quality and rigor of course work, grade trends, and SAT or ACT scores. Activities, leadership, special talent, multicultural experience and individual circumstances are also considered.

Applicants are encouraged to pursue academic coursework and advanced study beyond the minimum course requirements. Advanced Placement (AP), International Baccalaureate (IB), Cambridge International, Running Start or other College-in-the-High-School and Honors courses provide an excellent foundation for a successful college experience.

The minimum recommended high school courses include:

- **4 units of English, including 3 units of college prep composition and/or literature**
- **3 units of mathematics beyond pre-algebra, including completion of algebra II**
- **2 units of science, with one year of algebra-based science (such as chemistry or physics); one year must include a lab**
- **3 units of social science, such as history, civics, psychology, economics, etc.**
- **2 sequential units in a single world language, Native American language or American Sign Language. This requirement may be satisfied for students from non-English speaking countries who entered the U.S. educational system in eighth grade or later**
- **1 semester or trimester of fine and performing arts**

*During the senior year of high school, students must earn a credit in a math-based quantitative course. Completion of higher-level math prior to the senior year exempts students from the senior year quantitative course requirement (e.g., pre-calculus, math analysis or calculus).*
APPLICATION INSTRUCTIONS

We recommend you keep a file with copies of all correspondence you have with Western, including a copy of your completed application form and transcripts of high school and college coursework. Some sections of the application for admission require further explanation, which you can find online at admissions.wwu.edu/freshman/instructions. If you have questions, please contact the Office of Admissions at (360) 650-3440 or admissions@wwu.edu.

Transcripts

High School: A high school transcript is required at the time of application. For the application review, you may submit either an official or unofficial transcript. We accept electronic transcripts in the following methods: 1) via the Naviance/Docufide transcript system; 2) via the online application, students can upload an electronic version of their transcript. We will also accept paper transcripts mailed from your high school. Official high school transcripts will be required after admission.

College: Official college transcripts and AP/IB/Cambridge International scores are required for college credit to be granted. These transcripts will enable Admissions to process your application more efficiently and expedite the awarding of transfer credit. Washington Running Start students who have completed college credit are encouraged to request an electronic college transcript be sent from the community college at the time of application, in addition to a high school transcript.

Scholarships and Financial Aid

Most scholarships are awarded based on the information provided in the application for admission, and no separate application is required. The Office of Admissions awards scholarships based on merit or other interests as identified in the application for admission. Freshmen applying for Fall Quarter admission should complete the application for admission by the application deadline of January 31 for priority scholarship consideration.

A complete list of new student scholarships is available at admissions.wwu.edu/scholarships. A complete list of all undergraduate student scholarships is available at www.finaid.wwu.edu/scholarships.

Applying for financial aid does not affect your application for admission or consideration for scholarships. Submit the Free Application for Federal Student Aid (FAFSA) online at fafsa.gov. Western’s school code is 003802. If you are a non-citizen eligible for resident tuition under HB 1079, please submit the WASFA instead. Fall quarter applicants should submit the FAFSA/WASFA prior to January 31 for priority consideration. For more information, refer to www.finaid.wwu.edu or contact the Financial Aid Services Center at (360) 650-3470.

Residency

To qualify as a Washington State resident and in-state tuition, you must be a U.S. citizen or have permanent resident (resident alien) status. You must also be a dependent student whose parent or guardian has been a legal resident for at least 12 months prior to enrollment, or an independent student who has established a permanent home in the state of Washington for at least 12 months prior to enrollment. Verification may be requested. The spouse or dependent of a person who is on active military duty can be allowed to pay resident tuition after providing appropriate documentation to the Registrar’s Office.

You are not a resident of Washington State if you (or your parent, in the case of a dependent) have attended, as a resident, college in another state within a year prior to enrollment; have received financial assistance from another state, including a reciprocity award, within a year prior to enrollment; or possess a current out-of-state driver’s license, vehicle registration or other document which gives evidence of being domiciled in another state.

If you are not a U.S. citizen or permanent resident of the U.S. and not on a current visa, but have continuously resided in Washington State for three (3) years prior to receiving a high school diploma from a Washington State high school, you may be eligible to pay resident tuition, in accordance with House Bill 1079.

Living on Campus

Freshmen who meet all housing deadlines, including the payment deadline, are guaranteed housing on campus. The date you apply to Western serves as your housing priority date, and room assignment priority is given to students who applied for admission the earliest. Detailed housing information will be sent at the time of admission; admitted students can apply online for housing at housing.wwu.edu.
By law, providing your Social Security Number is optional, but it speeds up the processing of your financial aid application. It may also be used for educational research purposes. Releasing student information will be in accordance with all appropriate state and federal laws. Western does not use social security numbers as student identification numbers.

4. Demographic Data

In accordance with Washington State law, Western Washington University does not use race, sex, color, ethnicity, or national origin in admission decisions.

Western Washington University is required by law to report aggregate demographic data to the U.S. Department of Education and other federal and state agencies. In addition, this information may assist in the awarding of privately funded scholarships.

Western recognizes that people may identify their gender in non-binary ways. Currently, our student information system only provides two binary gender fields. We are aware of this limitation and are working to expand the possible ways for individuals to identify their gender in Western’s records. Enrolled students have the ability to change their gender marker through the Registrar’s Office. For purposes of housing, please contact University Residences at housing@wwu.edu if you have questions.

10. Extracurricular, Community, Work and Personal Activities

We believe that ability and potential are measured by more than grades and test scores. Help us learn how you spend your time by providing a list of your most meaningful activities and achievements in grades 9-12. This could include areas like: community involvement, volunteer experience, employment, athletics, extracurricular clubs, arts, family responsibilities, or special awards and recognition. Be sure to include the name of the organization or involvement, your position or role, and how long you have participated. You may also share a short description about the activities that are most significant to you. You can find tips and examples on how to organize your activity list on our website at admissions.wwu.edu/activities.

11. Essay Questions for Admission and New Student Scholarships

Help the Admissions Committee learn about you beyond what we can see in your transcript, test scores and activity list by expanding on one of the prompts below. Your response will be reviewed for both admission and scholarship purposes.

Please select one of the essay prompts below and provide your response.

- Share a meaningful experience and how this has helped shape you in your preparation for college. This could be related to your passions, commitments, leadership experience, family, or cultural background.
- Describe any activities you have been involved in related to diversity or multiculturalism and explain how you will actively contribute to a diverse campus community at Western.
- Admissions essay – topic of your choice. If you have written another essay that captures what you want the Admissions Committee to know about you, feel free to share it here.

Most essays are about 500 words, but this is only a recommendation, not a firm limit. Feel free to take what space is necessary for you to tell your story. You can find tips for writing a strong application essay on our website at admissions.wwu.edu/essay.

The Admissions Scholarship Committee awards scholarships based on the information provided within your application for admission and does not require an additional scholarship application. Students are encouraged to submit the Free Application for Federal Student Aid (FAFSA), or WASFA, prior to the January 31 priority deadline, as some scholarship criteria include financial need. Information about new student scholarships is available at admissions.wwu.edu/scholarships.

12. Tell Us More (optional)

Describe any special circumstances that created challenges or opportunities for you while in high school and what you learned from those experiences. This might include personal or academic adversity, being the first person in your family to pursue college, inconsistent grade trends, a grade point average or test scores that you feel do not reflect your potential, or anything else you feel the Admissions Committee should know about you and your ability to succeed in college.
